

Dear Friends of Oxford High School and the Community,

The Festival of Trees has become a beloved holiday tradition at OHS, bringing together students, families, and the community in the spirit of giving. For 17 years, clubs, businesses, organizations, and individuals have donated beautifully decorated trees, wreaths, inflatables, and baskets to be raffled off, with proceeds benefiting local charities of their choice.

This year's Festival will be held on Friday, December 12th & Saturday, December 13th at Oxford High School, featuring Pizza with Santa and Friends, Cookies and Storytime, the Holiday Market, and festive entertainment.

We invite you to donate a decorated artificial tree of any size. Get creative—add lights, ornaments, gift cards, or special items that showcase your business or organization. You may also donate raffle baskets, wreaths, or inflatables to add to the festive spirit. The Booster Club will provide electricity, extension cords, and raffle baskets labeled with your name, tree theme, and chosen charity.

Tree setup dates:

- December 1–5, 6–8 PM

Raffles will be drawn on Saturday, December 13th, and winners will take home the trees, wreaths, or baskets.

Join us for this festive celebration of creativity, community, and giving!

Submission forms are available at https://www.oxfordhighschoolboosterclubct.com/

With gratitude,

The OHS Booster Club
